Kosovo\*, Moldova, Montenegro, Serbia, Turkey

AGR 80821

\*This designation is without prejudice to positions on status, and is in line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo Declaration of Independence.

Organised and funded by the  
**Technical Assistance and Information Exchange Instrument**  
of the European Commission

## Aim of the Workshop:

---

The aim of this multi-country Workshop is to strengthen the capacities of the health professionals to develop and implement clinical guidelines for sexual and reproductive health services, which were disrupted under the COVID 19 pandemic.

The Experts will discuss the current situation in the South Eastern Europe Region and propose a coherent and comprehensive national policy framework. Furthermore, Experts will advise on how to produce and promote good clinical practice in the best interest of the patient to improve the quality and effectiveness of health care.

---
